**Illustration A**

Customer has two (2) Private Banking Accounts and two (2) Private Banking Account-i(s). Only one (1) Private Banking Account and only one (1) Private Banking Account-i with highest incremental growth will be selected.

Should two (2) Private Banking Accounts and two (2) Private Banking Account-i(s) have the same incremental growth and same opening date, only one of each Private Banking Account and Private Banking Account-i will be selected.

### **ADB Formula (Average Daily Balance)**

For new & existing customers, formula for ADB calculation of participating accounts opened before the Programme is as follows:

$$\frac{\text{Total end day balance of account from 1<sup>st</sup> day of the month to the last day of the month}}{\text{Number of days in a month}}$$

## **3.2 Investment**

3.2.1 The investment products participating in this Programme are Dual Currency Linked Investment, Retail Bond and Structured Products (“Participating Investment Products”) issued/distributed by Malayan Banking Berhad. This shall exclude products issued by Maybank Investment Bank. The Participating Investment Products are subject to changes at the sole discretion of Maybank with twenty-one (21) days prior notice.

3.2.2 The TreatsPoints will be calculated based on total new gross investment amount of each Participating Investment Product for the month subject to the following minimum investment amount per transaction:

- Dual Currency Investment - minimum RM 50,000 per transaction
- Structured Product - minimum RM 50,000 per transaction
- Retail Bond - minimum RM 250,000 per transaction

3.2.3 The equivalent amount in MYR will be used if the Investment is in foreign a currency. Maybank has the discretion to apply the relevant exchange rates to derive the MYR equivalent.

3.2.4 The reference of MYR equivalent exchange rate is the mid-rate of Maybank counter TT selling and buying rate on the transaction date.

3.2.5 Below is the quantum and calculation formula of the reward for the Participating Investment Products, subject to changes at the sole discretion of Maybank with twenty-one (21) days prior notice.

<b>Products</b>	<b>Unit Size</b>	<b>TreatsPoints Per Unit</b>	<b>Maximum TreatsPoints per Month</b>
Dual Currency Linked Investment	RM 50,000	400	100,000
Structured Products	RM 50,000	1,800	100,000
Retail Bond	RM 250,000	20,000	100,000

**TreatsPoints calculation formula:**

Round down of (total new gross investment amount of a particular investment product / unit size of the product) X TreatPoints per unit, subject to maximum TreatPoints per month.

Example:

Customer A invested RM1,600,000 in participating Retail Bond in January.

The Retail Bond TreatsPoints reward for customer A for the month of January is **100,000**. Below is the calculation:

Round down (RM1,600,000 / 250,000) x 20,000 = 6 x 20,000 = 120,000, subject to maximum TreatPoints per month of 100,000.
